CONDITIONS OF ENTRY

1. HELD UNDER UKA RULES

All events will be subject to UKA Rules for Competition

2. EVENT RESTRICTIONS

The committee reserves the right to cancel any event which the entries are insufficient to justify the holding of a competition. As we are short of officials, events will not be held if there are insufficient entries, and it is probable that the number of trials in field events will have to be restricted.

3. UKA RULE 141 S2 (vi) APPLIES

Athletes may choose to compete in an age group above their own subject to the limitations in rule 141 S2 (iv)

4. CLUB MEMBERSHIP AND CLOTHING RULE T5 S1(4)

All Athletes must be a paid-up member of a club and be registered with England Athletics. Athletes must wear the vest of their first claim affiliated club or alternatively a County, Area district regional National

International vest, or any other representative vest approved by UKA. Failure to wear one of these vests could result in disqualification. Schools vests should not be worn.

5. EQUIPMENT

The organisers will provide implements for the throwing events. Competitors may use their own implements provided that these are booked in a minimum of one hour prior to the scheduled start of the individual event and approved by the Technical Manager (Field Ref). Competitors may use their own starting blocks if they conform to regulations and are approved by the Starter's Assistant.

6. MEDALS

9. WITHDRAWAL FROM EVENTS

The following rule (UKA Rule T4) will apply for the duration of the competition: An athlete shall be excluded from participation in all further events (including other events in which they are simultaneously participating) in the competition, in cases where: 1. Final confirmation was given that the athlete would start in an event but failed to participate; 2. An athlete qualified in any qualification round of an event for further participation in that event but then failed to participate further; 3. An athlete failed to compete honestly with bona fide effort.

10. REGISTRATION

Athletes must register at least one hour prior to their first competition. Please bring with you proof of entry i.e. copy of your email confirmation.

IMPORTANT PLEASE READ NOTES BELOW

As with the reduced number of officials, and dependent on entry levels, there may need to be some adjustment e.g. combining male and female throwing events.

Please be aware that if an athlete enters a track event and a field event there are likely to be clashes in timetabling. In the case your events clash, it is suggested that the athlete or athletes coach or parent report to the field event judge to register. When the athlete returns to the field event they may then join in at the point that the field event is in, i.e. if they return and trial 2 has started the athlete must join in at that stage meaning they will miss trial 1. In the high jump and pole vault they may enter at the height of the bar when they return, provided that the second round at that height has not already started.

If you have not received an email confirmation by the 12th May 2022, or if you experience any issues with on-line entries please contact,

Entries close Sunday 8 May 2022. No late entries will be accepted.
